

May 1st, 2023

Dear IAM Members,

On behalf of Indy Aquatic Masters (IAM), I would like to thank you for your commitment to IAM as a valued member. Our program is one of the top U.S. Masters Swimming programs in the country because of you. We are excited and confident about the future of IAM.

In 2011, IAM was formed as a 501(c)(3) nonprofit organization. Since inception, we have worked to provide you the best program possible offering multiple workout locations, highly qualified coaches, activities, and events, while keeping your membership fees and our operating costs minimal. However, the time has come to make hard financial decisions to maintain and grow the program.

The last time a price adjustment was made to our standard membership fees was in 2016. Due to the current economic climate and rising facility and administrative costs, the Board of Directors has made the difficult decision to raise membership dues \$5 per month in order to maintain program operations and offerings at an optimal level for the greater Indianapolis community. This price increase will take effect June 1st to all new and recurring membership dues including monthly, three-month, six-month, and twelve-month packages. Current members as of June 1st will see the price increase reflected in their renewal occurring on June 1st or at the next renewal due date after June 1st if applicable.

We understand the effect this can have on our members, and we thank you for your understanding during this change. The IAM Board and staff are dedicated to delivering the very best program possible for you to enjoy daily by continuing to offer multiple state-of-the-art facilities, quality workouts, and exceptional coaches. If you have any questions or concerns, please contact me at info@indyaquaticmasters.com.

See you at the pool.

Sincerely,

George Quigley
President, Board of Directors
Indy Aquatic Masters
